

YAMATJI BUSINESS REGISTER

Be part of it!

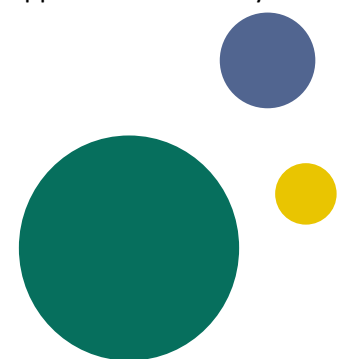

Yamatji Southern Regional Corporation Ltd (YSRC) is establishing a Register of majority owned and operated Yamatji businesses.

YSRC is working with lots of stakeholders (Government and Industry) wanting to do business across the Yamatji Nation ILUA area. These stakeholders are wanting to engage and offer contracts to Yamatji businesses. Being on this Register will help us link your business to them.

The Register is for any majority owned Yamatji business – whether your business is operating as a part time sole trader, such as a small catering business, or a large business with several full-time staff, plant and equipment, such as a construction business.

If businesses are not on the Register, YSRC won't know how to refer opportunities to you.

If you would like to be part of the Register, please complete the attached initial registration document and YSRC will contact you. Completed registration documents can be sent to businessadmin@ysrc.com.au along with any queries you have or placed in the application box today.
